

Corcentric Source-to-Pay Services

Flexible advisory and managed services for Procurement and Finance

Corcentric's Source-to-Pay portfolio encompasses not only fit-for-purpose software designed and developed by Procurement and Finance professionals – but also a diverse set of services to augment and accelerate the efficiency and effectiveness of your spend management and accounts payable operations.

Hundreds of mid-market and Fortune 1000 clients partner with Corcentric for support across the entire source-to-pay spectrum – covering everything from analyzing spend to transacting business with suppliers. Our diverse team of professionals and a flexible managed services approach offer a scalable solution to supply the expertise, capacity, and reach required by modern Procurement and Finance organizations.

CAPABILITIES:

- + **Strategic Advisory Services:** Leverage Corcentric's category and procurement expertise to optimize buying focused on your business outcomes:
 - Strategic Sourcing Services
 - Category Management Services
 - Cost Reduction Services
 - Digital Procurement Transformation
- + **Managed Services:** Simplify, streamline, and optimize your organizations end-to-end sourcing, procurement and marketplace purchasing processes.
 - Procurement Services
 - Help Desk Services

Having decades of experience working with organizations of all shapes, sizes, and levels of maturity, we provide Services that enable holistic outcomes across all facets of managing spend:

- + Reduced Costs
- + Increased Efficiency
- + Enhanced Compliance
- + Mitigated Risks
- + Improved Working Capital

By generating insights to improve processes and enhance effectiveness – and partnering with you to translate those insights into action – Corcentric allows you to focus on what matters.

Corcentric (Determine) has been very easy to work with and very energetic. The customer focus they bring and the fully-featured, intuitively easy-to-use sourcing tools are game changers.
